

Panel Slim

Designed by Lucid + Forma 5

Forma 5

Concept

Panel Slim allows us to create new flexible and agile spaces, separating and generating more private rooms. Panel Slim combines with Panel System, that allow electrification and wiring of stations, implement transparent and mobile partition panels, etc.

Panel Slim nos permite crear nuevos espacios flexibles y ágiles, separar y generar habitáculos más privados, combinar con Panel System para permitir electrificar y cablear puestos, implantar paneles de separación transparentes y móviles, etcétera.
